WHERE TO FILE: Clerk, U.S. House of Representatives, Office of Records and Registration, Room 1036, Longworth House Office Building, Washington, D.C. 20515.

WHERE TO SECURE ASSISTANCE: Committee on Standards of Official Conduct, U.S. House of Representatives, Room HT-2, Capitol Building, Washington, D.C. 20515. Telephone No. (202) 225-7103. Additional forms and instruction booklets may be obtained from the Committee office.

SAMPLE

REPORTING INSTRUCTIONS

REPORTING PERIOD: The period covered by this Disclosure Statement is calendar year 1984, unless otherwise indicated. *Gifts or reimbursements received during any period in the calendar year when the reporting individual was not a Member or employee need not be disclosed.*

INCOME: The term "income" is intended to be all-inclusive, as defined in the Act. The identity of the source and the amount or category of value of all income which exceeds $100 from any one source must be disclosed separately. Gross income should be listed, but the net income derived from business may also be reported. The type of income should be identified as salary, commission, pensions, honoraria, dividends, interest, etc. In reporting any honoraria, include the *date of receipt* and indicate which honoraria, if any, were assigned to charity. The amount of the honorarium should be the net figure; any payment for travel expenses should be disclosed as a reimbursement. ***Exclusion:*** Income from current U.S. Government employment.

GIFTS: In reporting tangible gifts, it is not necessary that exact dollar figures be reported in every case. If the exact value of a gift is not reasonably ascertainable, a good-faith estimate and a brief description of the gift is sufficient for disclosure purposes. In disclosing gifts of entertainment or travel-related expenses, the individual should include a brief description of the itinerary and the nature of the expenses provided. ***Exclusions:*** Gifts from relatives and gifts of personal hospitality of an individual. Gifts with a value of $35 or less need not be aggregated towards the $100 or $250 disclosure threshold. Political campaign contributions also need not be reported. *Note:* House Rule XLIII, clause 4 prohibits acceptance of gifts aggregating $100 or more in value from certain sources.

REIMBURSEMENTS: This category would include items such as travel expenses provided in connection with a speaking engagement or fact-finding event related to official duties, whether those expenses were reimbursed to the individual or paid directly by the sponsoring organization. Only a brief description of the itinerary and the nature of the expenses is required rather than exact dollar figures. ***Exclusions:*** Travel-related expenses provided by federal, state, and local governments, or by a foreign government within a foreign country, and reimbursements paid from campaign funds.

HOLDINGS: Business interests, stocks and bonds, real estate, savings accounts, and any other investment or income-producing property should be reported by category of value. Property held at any time during calendar year 1984 must be listed; however, the value of the holding should reflect the fair market value as of the end of the year. In listing the category of value of any item where it is difficult to determine an approximate fair market value, any recognized indication of value may be used provided that the method of valuation is included on the Disclosure Statement. (See 2 U.S.C. §702(c) for methods of valuation.) In listing securities, the name of each company in which stock worth over $1,000 is held must be listed separately. In reporting real property holdings, a brief description of the property (such as number of acres and indication of any improvements), and its location should be included. ***Exclusions:*** Any deposits aggregating $5,000 or less in personal savings accounts as of the end of the year, and any personal liability owed to the reporting individual by a relative. A personal residence would not be reported unless any part of the residence produces rental income. The cash value of a life insurance policy, and equity in any retirement fund need not be reported.

LIABILITIES: All personal obligations aggregating over $10,000 owed to one creditor at any time during 1984, whether secured or not, and regardless of the repayment terms or interest rates, must be listed. The identity of the liability should include the name of the individual or organization to which the liability is owed, and the amount disclosed should be the category of value of the largest amount owed during the calendar year. Any contingent liability, such as that of a guarantor or endorser, or the liabilities of a business in which the reporting individual has an interest need not be listed. ***Exclusions:*** Mortgages secured by the personal residence of the reporting individual or his spouse; any loan secured by a personal motor vehicle, or household furniture or appliances; and any liability owed to a relative.

TRANSACTIONS: The amount to be reported in disclosing transactions in real property or securities is the category of value of the total purchase price or total sales price, and is not related to any capital gain or loss on the transaction. Indicate whether the property was purchased, sold, or exchanged. ***Exclusions:*** Any purchase or sale of a personal residence, and any transactions solely by and between the reporting individual, his spouse, or dependent children.

POSITIONS HELD: Any nongovernmental position held by the reporting individual, whether compensated or uncompensated, in any business entity, nonprofit organization, labor group, educational or other institution must be reported. ***Exclusions:*** Positions held in any religious, social, fraternal, or political entities, and positions solely of an honorary nature.

AGREEMENTS: Continued payments or benefits from a former employer would include interests in or contributions to a pension fund, profit-sharing plan, or life or health insurance; buy-out agreements; severance payments, etc.

SPOUSE AND DEPENDENT DISCLOSURE

In general, the reporting individual is required to include financial information concerning his or her spouse or dependent children. However, in certain rare circumstances, the truly independent financial interests of a spouse or dependent would be exempt from disclosure.

Information concerning a spouse or dependent child should be reported as follows: (1) the source, but not amount, of a spouse's earned income which exceeds $1,000; (2) the source and category of value of income derived from any asset of the spouse or dependent reported under Part III of the Disclosure Statement; (3) gifts or reimbursements to the spouse, unless received totally independent of the spouse's relationship to the reporting individual; and (4) assets, liabilities, and transactions of the spouse or dependent child.

Disclosure of the financial interests and liabilities of a spouse or dependent under Parts III, IV, and V of the Statement is exempted when all three of the following circumstances are met: (1) the item is the sole interest or responsibility of the spouse or dependent child and the reporting individual has no knowledge of the item; (2) the item was not in any way, past or present, derived from the income, assets, or activities of the reporting individual; and (3) the reporting individual neither derives, nor expects to derive, any financial or economic benefit from the item. *Note:* If the reporting individual does not disclose certain financial interests or liabilities of the spouse or dependent children because these three standards for exemption are met, he or she must so indicate in Part VIII of the Statement.

SAMPLE

The information concerning a spouse or dependent child must be reported in the same manner as that of the reporting individual. However, the person reporting need not identify which items belong to a spouse or dependent. No information is required with respect to a spouse living separate and apart from the reporting individual with the intention of terminating the marriage or providing for permanent separation; or with respect to any income or obligations of an individual arising from the dissolution of the marriage or permanent separation.

TRUSTS

The holdings of and income from a trust or other financial arrangement in which a beneficial interest in principal or income is held by the reporting individual, his spouse, or any dependent children must be disclosed. However, the reporting individual need only report the category of the amount of income received by him, his spouse, or dependents from: (1) a trust which was not created directly by such individual, his spouse, or any dependent, and with respect to which such individual, his spouse, and dependents have no knowledge of the holdings or sources of income of the trust; or (2) a "qualified blind trust," as defined in section 102(e)(3) of the Act. Such a trust must be approved by the Committee on Standards of Official Conduct before it will be deemed a qualified blind trust under the Act.

This Financial Disclosure Statement is required by the Ethics in Government Act of 1978, as amended (2 U.S.C. § 701 et seq.). The Statements will be made available to any requesting person upon written application, and will be reviewed by the Committee on Standards of Official Conduct. Any individual who knowingly and willfully falsifies, or who knowingly and willfully fails to file this report may be subject to civil and criminal sanctions (see 2 U.S.C. § 706 and 18 U.S.C. § 1001).

Re: Amendment to Financial Disclosure Statement

Dear Mr. Guthrie:

I would like to amend Section IA of my Financial Disclosure Statement dated May 13, 1985, by adding the following two dates--which were inadvertently omitted--to the entry regarding the honoraria from Brookings:

Section IA

• Brookings Institution	Honorarium (2/29/84)	$250
• Brookings Institution	Honorarium (4/13/84)	$250

Thank you for adding these two dates to my statement.

Sincerely,

ANTHONY C. BEILENSON

Dear Mr. Boner:

RE: TARGETED COMMUNICATIONS

Thank you for inquiring about the cash benefits, if any, you received from Targeted Communications during calendar year 1984.

We have reviewed our files for the cash receipts and cash disbursements records of Targeted Communications. Our files indicate that you did not receive any distributions from Targeted Communications during 1984. In fact you are in a tax disadvantage position because you must report 100% of Targeted Communications' taxable income on your personal Federal Income Tax Return for 1984. The tax disadvantage is compounded by the fact you did not receive any cash in the form of a salary or directors fee from Targeted to pay the increase in tax on your return.

As you will know, our tax laws are not always fair. A common error is to equate income that is reported on a tax return with income that gets deposited into an individual's bank account. Targeted Communications is a good example of income without a cash distribution. This is the worst possible tax position an investor would want.

You also inquired why Target has taxable income when the bank account indicates most of the income was disbursed during 1984.

The best answer is, once again, that our tax laws are not always fair. There are three major adjustments that affected the net income of Target:

1. The cost of the computer purchased during 1984 cannot be expensed for tax purposes. The cost is depreciated over a five-year period. Therefore, this item serves to increase your taxable income.

2. The principal payments made to pay back bank loans is another item that reduces your cash in the bank but is not an allowable expense in computing taxable income. Therefore, this item serves to increase your taxable income.

3. The money borrowed from banks increases the cash in the bank account but does not increase taxable income. Therefore, this item reduces your taxable income.

[illegible] FOURTH AVENUE, NORTH - NASHVILLE, TENNESSEE 37219 - (615) 254-1731

ngressman William H. Boner: 2
May 9, 1985

The net affect of the above adjustments is taxable income to you, as the sole stockholder, of $21,543. The greatest disappointment is that none of the income is actually distributed to you.

Please call if you have any questions or if I can help explain any misunderstanding that still exist.

Very truly yours,

Michael Armstrong

Dear Mr. Guthrie:

Please accept this letter as an amendment to my Financial Disclosure Statement, specifically as an amendment to Section I A of that statement. The sources of my wife's 1984 income were the law firms of Langford, Switzer, and King and Shipley and Behm. This information should have been included in the 1984 tax information which I submitted as part of my statement, although it was not included on the form. I appreciate your attention to this matter.

Sincerely,

Bill Boner

Dear Ms. Bias:

This letter should be considered an amendment to Section 1-A, Personal Income, of my 1984 Financial Disclosure Statement.

I was under the assumption that due to my business (Combest Distributing Company) being a sole proprietorship, that a personal draw would not be shown as income since it would not reflect as personal income on my 1984 Income Tax Return. However, I have become aware that it should have been reported as such.

While my records are with my accountant in Texas, I would make a good faith estimate that that draw to me and my wife was approximately $10,000 for 1984. I expect that within a few days I should have the specific information and will submit another letter at that time indicating the exact amount drawn from my business.

Sincerely,

Larry Combest

Dear Mr. Guthrie:

I am writing to amend my 1984 Financial Disclosure Statement submitted to your office on May 15th, 1985.

During a 1984 Honoraria trip to Texas, I participated in three speaking engagements each providing me with $1000 honoraria. While my overall honoraria total did not change, the following information did change:

I. Income Part A.

No chg.	Western Peanut Growers Assn.	4/15-4/16/84	$1000.00	(chg)
No chg.	American Rice Co.	4/16/84	$1000.00	(chg)
Add.	Cumberland Chemical Co.	4/17/84	$1000.00	(chg)

Please feel free to contact me or my office should you have additional questions. I'll be happy to help in any way and apologize for this inadvertant error.

With best regards, I am,

Sincerely,

For this service I was not paid anything, including travel and other expense. Similiar work was performed by the Chairman of the Board without being paid. In winding up the affirs of the old ownership the club paid me the sum of $13,500. as a bonus - for all the above work performed and expenses - prior to 1964. The minutes of the corporation correctly show that this payment was for work and expenses performed prior to my coming to the U.S. Congress. ETHICS IN GOVERNMENT ACT-FINANCIAL DISCLOSURE STATEMENT FOR 1984

ROBERT GARCIA

18th DISTRICT, NEW YORK

1984

VII. A. ADDITIONAL INFORMATION

In response to item VII. A. I have not included information in this report concerning property owned by Miss Kirsten Matos, my wife's daughter. She inherited a farm in Puerto Rico upon her father's death in 1984. In addition, my wife Jane Lee García is obligated to repay a loan secured by a mortgage on the same property.

Disclosure concerning the financial interests and liabilities of Miss Kirsten Matos and Mrs. Jane Lee García with respect to this property is not necessary because the standards for an exception are met:

1. I have no financial interest in the property and no knowledge of the details of Miss Kirsten Matos' financial interest.

2. The property is derived from Miss Matos' late father's estate, and I have no direct or indirect interest in it.

3. Because I have no interest in this property, financial or otherwise, I do not expect to derive any financial or other benefit from it.

To whom it may concern:

I would like to amend section I A. of my financial disclosure filed on May 15, 1985. On attached forms of my disclosure it is shown who I received honorarium from and which honorarium I donated to charity. Please amend this section to show that $50.00 of $750.00 honorarium received from the National Restaurant Association on September 17 was donated along with $2,000 from the Washington State Medical Association to the Third Baptist Educational Fund.

Therefore, it will show that I am within my limitations of honorarium received. Thank you very much for your immediate attention to this matter.

Sincerely,

Richard A. Gephardt

Dear Sir:

It has come to my attention that upon submitting my 1984 Financial Disclosure Statement that I inadvertently failed to answer two questions.

In section VIII. ADDITIONAL INFORMATION my answer to question A. Are you aware of any interests in property or liabilities of a spouse or dependent child or property transactions by a spouse or dependent child which you have not reported because they meet the three standards for exemption? should be NO and my answer to question B. Do you, your spouse or dependent child receive income from or have a beneficial interest in a trust or other financial arrangement whose holdings were not reported because the trust is a "qualified blind trust" or other excepted trust? should be NO.

Thank you for your attention to this matter and with kind regards, I am

Sincerely,

Elwood H. Hillis

AGREEMENT

This Agreement made this 1st day of January, 1979, by and between HARTLEY T. HANSEN, JOHN J. SOIKA, DAVID E. BOYD, KEVIN R. CULHANE, all of Sacramento and doing business as the law firm, HANSEN, SOIKA, BOYD & CULHANE (hereinafter referred to as firm) and ROBERT T. MATSUI of 1340 Gagle Way, Sacramento, California (hereinafter referred to as RTM).

RECITALS

1. From July 1, 1976, ROBERT T. MATSUI and HARTLEY T. HANSEN did business as attorneys at law under the firm name of MATSUI & HANSEN with offices located at 1329 H Street, Sacramento, California. In January, 1978, ROBERT T. MATSUI announced his candidacy for the United States Congress. It was therefore agreed that effective September 1, 1978, that the affairs of the law firm of MATSUI & HANSEN would come to an end and henceforth the cases handled by that firm would thereafter be handled by the firm of HANSEN,SOIKA, BOYD & CULHANE.

2.- As a part of the termination of the affairs of the law firm, MATSUI & HANSEN, it was agreed that the firm, HANSEN, SOIKA, BOYD & CULHANE, would take over the cases handled by the old firm and, in anticipation of the election of RTM to Congress, that he would retire from active practice as of September 1, 1978, and that the firm would purchase his interests such as it appears as of that date.

3. This Agreement was made in contemplation and on the basis of the computer billing statements of the old firm maintained through a computer billing service, Prodata International Corporation (hereinafter referred to as Prodata). It was agreed that the interests of RTM would be fixed as of the computer billing statements issued for the month of September, namely those issued on August 23, 1978. To the extent that a file or case has not been billed fully as of August 23, 1978, RTM's interest shall be computed on the basis of the rebilling for services rendered on or before September 1, 1978, and to the extent called for below under this Agreement.

4. It is the purpose of this written Agreement to memoralize the terms of the previous oral understanding by and between RTM and the firm.

AGREEMENT

5. Now, therefore, RTM and the firm in respect to and in consideration for the mutually dependent covenants, conditions and promises hereinafter set forth do hereby agree as follows:

a. The firm hereby acknowledges that RTM has a fifty percent (50%) interest in all accounts receivable listed on the Prodata statements of August 23, 1978. The firm shall pay to RTM fifty percent (50%) of all accounts receivable received on account of such statements if and when received. Provided, however, that said sums shall be subject to and shall be used for the payment of all obligations of the law firm, MATSUI & HANSEN which were incurred prior to August 23, 1978. The firm shall have no obligation to pay RTM for accounts receivable which are on the Prodata statement of August 23, 1978, but which are not paid by the clients.

b. The firm hereby acknowledges that RTM has an interest in all contingent fee cases which were on the books of MATSUI & HANSEN or which were in the office of MATSUI & HANSEN as of September 1, 1978. The firm shall pay to RTM his share of said contingent fee cases if and when they are received by the firm upon the settlement of such cases, or upon judgment by trial or appeal, whichever occurs, according to the schedule below listed. It is agreed that if no settlement is obtained, the firm shall have no obligation to pay RTM for any interest in said files. The schedule of RTM's interest is as follows:

If the fee earned for any one client in a contingent fee case is less than FOUR HUNDRED DOLLARS ($400.00), the firm shall have no obligation to share such fee with RTM in any sum whatsoever or at all.

If the fee earned from any one client in any contingent fee case is SEVENTY-FIVE HUNDRED DOLLARS ($7,500.00) or less, the firm shall pay to RTM upon receipt thereof and as a part of the disbursal of said proceeds of settlement of such contingent fee case, thirty-three point three percent (33.3%) of said fee, exclusive of any costs incurred and paid by said client.

If the fee earned for any one client in any contingent fee case is SEVENTY-FIVE HUNDRED AND ONE DOLLARS ($7,501.00) or more, then the formula used for computing RTM's interest therein shall be a sum equal to fifty percent (50%) of the total hours in said file which existed as of the Prodata statements of August 23, 1978, over the total number of hours in the file as of the date of the settlement, or judgment, as applicable. In no event, however, shall the interest of RTM be less than five percent (5%) in any such file.

In computing the interest of RTM in the contingent fee cases herein referred to, it is agreed that RTM's interest is subject in all respects to the agreement of the firm with its clients in computing said fee. It is further agreed that no fee shall be owing to RTM if no fee is first received by the firm.

c. The firm acknowledges RTM has an interest in all cases which were in the office on or before September 1, 1978, which are of a probate nature. With respect to these cases, particularly probate cases, in which the fee is set by statute or by the court having jurisdiction over such case, it is agreed that RTM's interest will be computed in such statutory or extraordinary fee in the same manner as contingent fee cases above described. If such cases are of a probate nature, but the fee earned is based on an hourly rate, RTM's interest therein shall be equal to a prorated share of such fee computed by multiplying fifty percent (50%) times the number of hours as evidenced on the Prodata statements of August 23, 1978, over total number of hours in file as of date of settlement of such case times the fee actually earned and paid by client.

d. RTM agrees not to compete in any manner with the firm in Sacramento or Yolo Counties for a period of three (3) years from the date of this agreement in return for which firm agrees to pay to RTM the sum of NINE THOUSAND DOLLARS ($9,000.00) per year for each of said three (3) years. However, should the sum of NINE THOUSAND DOLLARS ($9,000.00) exceed five percent (5%) of gross receipts in any of said three (3) years, the payment for that year shall be reduced to a sum equal to five percent (5%) of gross receipts. Payments hereunder shall be made on a monthly basis, at the rate of SEVEN HUNDRED AND FIFTY DOLLARS ($750.00) per month or a sum equal to five percent (5%) of gross receipts attributable to that month, whichever is less. The term "gross receipts" as used herein refers to receipts received by the firm for performance of legal services rendered, but does not include receipts received from clients towards the payment of costs advanced or sums earned by any member of the firm in any capacity, earned or unearned, other than as an attorney at law. RTM is guaranteed the first year's payment due hereunder, provided that after such first year and notwithstanding any other provision of this paragraph, after such first year, all obligations hereunder shall cease and terminate in the event that:

1. RTM shall die, or become incapacitated, or fail to be reelected in 1980; or
2. The firm shall dissolve. The firm shall be deemed to be dissolved when two or more partners withdraw therefrom, provided that should any partner of the firm withdraw from firm or become deceased, the firm shall be deemed dissolved for purposes of this paragraph as to such partner only.

e. The firm hereby acknowledges that RTM has a fifty percent (50%) interest in all costs which have been advanced in cases which were existent on September 1, 1978, and which were outstanding and unpaid by the respective clients involved as of that date. The firm shall pay to RTM his fifty percent (50%) interest in said costs advanced in connection with any such case, as received by firm. The firm shall have no liability to RTM to pay his interest in the said cost unless and until first paid to the firm by the client involved.

f. It is understood and agreed by RTM and the firm that in certain cases it may become necessary for the firm to compromise the amount of the fee demanded of the client. In certain other cases, it may be necessary to send out particular accounts to a collection agency for collection. It is agreed that RTM's interest in the fees as hereinabove enumerated is, in all respects, subject to and dependent upon such later negotiations with clients by the firm. In those cases where the firm, in good faith, compromises a disputed fee, RTM's interest therein will be subject to such compromise and prorated to same. In no event, however, in this case shall the amount of costs advanced in such case be compromised without the prior approval of RTM. Provided, however, that if a case, including costs, is sent out to a collection agency or attorney or other person for collection, RTM shall share in the cost and expense of such collection and his interest in the fee so received shall be prorated as to the amount so collected. Provided, further, that RTM shall not be required to pay money out for costs and expenses of collection beyond the fee sought to be recovered without his prior written approval.

g. From and after September 1, 1978, the name of RTM shall not appear as a partner in the letterhead of the firm, nor shall RTM be expected to participate (actively as an attorney at law) in the business of the firm. In the new telephone listing of 1979-1980, the name of RTM shall not be listed as an active member of the firm. Provided, however, since RTM's former files are being transferred to the firm, and to provide continuity hereunder, RTM shall be denominated "of counsel" hereunder and shall maintain such status for a period of no less than three (3) years commencing January 1, 1979, and terminating December 31, 1981, unless continued by further agreement. Provided, further, that unless actually consulted, RTM shall not receive a salary for such status. Said status shall be so denominated on the stationery of said firm unless otherwise agreed. Firm shall obtain and pay for "tail" malpractice insurance maintained by MATSUI & HANSEN on September 1, 1978. Such policy limits were TWO HUNDRED AND FIFTY THOUSAND DOLLARS/SEVEN HUNDRED AND FIFTY THOUSAND DOLLARS ($250,000.00/$750,000.00). Provided, further, that the name and status of RTM shall not be used in any legal directory, except Martindale - Hubbell law directory.

h. It is hereby agreed that effective September 1, 1978, firm purchased all of RTM's interest in the office equipment of the law firm of MATSUI & HANSEN located at 1328 H Sreet, Sacramento, California, for the sum of EIGHT THOUSAND DOLLARS ($8,000.00). The firm shall pay such sum to RTM over a thirty-six (36) month period in equal installments, principal and interest, and shall execute a promissory note to RTM therefor. Such note shall bear eight percent (8%) interest per annum and shall be in the form and style of Exhibit "A" attached hereto and incorporated herein which is in all respects satisfactory to RTM and the firm. The firm hereby agrees to assume and pay or otherwise satisfy all obligations owing against or for the purchase of any of the personal property purchased from RTM, and, in all respects, shall hold RTM harmless from such debts and obligations.

i. It is acknowledged that RTM is the owner of the real property commonly referred to as 1329 H Street, Sacramento, California, wherein the offices of the firm are maintained. It is agreed that RTM shall let said premises to firm for one (1) year commencing January 1, 1979, unless further modified by the parties.

j. Each of the covenants and conditions and promises herein made by RTM to the firm and by the firm to RTM is hereby declared by each of the parties hereto to be mutually dependent and conditional upon the performance of each and all of the remaining covenants and conditions herein contained.

k. This Agreement shall, in all respects, be governed by the laws of the State of California.

l. Nothing herein contained shall be deemed to imply or express that the firm shall be responsible in any way for the prior obligations of the previous law firm of MATSUI & HANSEN, except to the extent specifically assumed hereunder. The individual partners of MATSUI & HANSEN shall continue to remain responsible for such obligations.

m. Firm shall hold harmless, defend, save, and/or provide a defense to RTM for any suit, loss, liability, or obligation resulting from an act or omission, or claimed act or omission, of Firm occurring after September 1, 1978, whether or not such claim is well founded.

n. This Agreement, and each provision hereof, is subject to approval by the Ethics Committee, United States House of Representatives.

WHEREFORE, the parties hereto have executed this Agreement effective on the date and year first above written by signing where indicated below.

Dear Sir:

This is to advise that a typographical error on my 1984 financial disclosure statement (addendum to item I. Income) reflects a $2000 honorarium from the Association for Advanced Life Underwriting. The accurate figure, however, is $1000. An amended sheet for the addendum to I. Income is herewith enclosed. I will appreciate your associating this material with my 1984 statement.

Sincerely,

DICK SCHULZE

Dear Ben:

I would like to amend my 1984 financial disclosure statement to correct an inadvertent error in Section V (Transactions). The value of the one acre lot deeded to my son, Caldwell, should be listed as category C rather than E.

I appreciate your attention in this matter.

With best wishes, I am

Sincerely,

WIRTH DISCLOSES 1984 STATEMENT OF INCOME AND TAXES

Washington, D.C. -- Rep. Tim Wirth (D-Colo.) today disclosed his 1984 statement of personal income and taxes.

Wirth, who has voluntarily released his personal financial information every year since his election to Congress in 1974, stated that he and his wife, Wren, had an adjusted gross income in 1984 of $109,019, a taxable income of $67,785, federal tax payments of $18,338 and Colorado tax payments of $3,129. The Wirth family contributed $4,819 to charitable organizations, more than 7% of their taxable income.

"Public officials have a special responsibility to disclose their personal financial information to the public, and I have been doing this since I was first elected and long before there were requirements to do so. Citizens have a right to know, and should demand information about the personal dealings of their representatives."

Below is a chart summarizing Wirth's income and tax statements for the past five years. A complete copy of Wirth's tax return may be examined at his District Office, 3489 West 72nd Avenue, Suite 112, Westminster.
